COTE Committee Report – March 2020

Sustainability Talks

I reached out to Shaw carpet and Armstrong Ceilings regarding the possibility of presenting a sustainability talk. Both companies responded and expressed an interest in coordinating a presentation.

William Griffith from Armstrong Ceilings forwarded a link to his presentation titled 'Building Product Transparency'. William will work w/ us once we decide on a date and location for the presentation.

Alison Kopcko from Shaw carpet will also coordinate w/ us once we can confirm date and location. She also offered the Shaw NY showroom as a location option.

Both presentations would provide CEU's.
