RE: PA Committee Report

May 20,2020

Paul Tiajolloff sat in on two Teleconferences (March, May) for the AIANJ PA Committee. Items of discussion included:

- 1) Due to COVID 19 virus, the March 26 Civic I/O in Holmdel was cancelled.
- 2) Architecture week- has been postponed to a later date this year.
- 3) 2020 League of Municipalities conference will most probably be cancelled. TBD
- 4) K-12 Books provided by Stacey Kliesch to be given out at a library presentation are in the office of PT. If anyone will be speaking to a school event and wishes to leave a copy. Please contact me.
- 5) Large States PA Initiative: ArchitectureMatters.com. NJ in conjunction with others has terminated contract with webmaster. Will hire a new one by July 1 and has allowed California to take lead in restructuring content.
- 6) **Social Media CEU Program being offered by Stacey Kliesch, Brian Penschow, William Martin and Dean Paul Bell for 2020 scheduled for June 9.** All sections should get invitation from AIANJ and send out invite to members to register on AIA-NJ .org.
- 7) AIA NJ MAG has been sent out to all members. *WHAT DOES AIA-NJ DO FOR ME?* If it was not received, a copy can be obtained from AIANJ.
- 8) Regarding COVID AIANJ will continue its Blog showing all updates from the state as well as input from members that is useful. PT suggested pushing info on the Value of Healthy Buildings and other “green” architecture subjects. This month’s AIANJ newsletter will be delayed to accept Josh Zinder article on protecting ourselves not just the client of the GC.
- 9) Side note: PT attended NJ FUTURE convention with AIANJ PA committee. Set up AIANS banner.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Paul Tiajolloff".

Paul Tiajolloff, AIA
