RE: CANstruction

May 20, 2020

CANstruction committee consisting of Paul Tiajoloff, Francisco Grimaldi and Victor Angulo discussed issues for 2020 by email.

- 1) Morris Museum has declined to sponsor a space for our use this year.
- 2) COVID issue will impact the builds but will also make the need greater.
- 3) CANstruction is allowing and approving virtual builds.
- 4) Community Foodbank has no issue with picking up cans from places of build but there are no volunteers so builders will need to help load truck.
- 5) Must finalize Build date and methods to observe.
- 6) Committee will send out invitation and notice in the next week.
 - a. Theme is either "Rebirth" or "Endurance" or "Resilience"

Respectfully submitted,
